2.9%

INDIANA SNAPSHOT

The population of Indian increased by 4.6% from 2010, bringing its total population to 6,785,528. This growth was driven by gains in a handful of metropolitan areas and exclusively through gains among the state's minority populations. The 11-county Indianapolis-Carmel-Anderson metro lead the way by adding 223,163 residents between 2010 and 2020, an 11.8 percent increase. The Indy metro area's numeric growth accounted for 74 percent of the state's net population gain over this period.
