OREGON SNAPSHOT

The population of Oregon grew by 406,175, an increase of 10.6%. Oregon is gaining a congressional seat for a new total of six districts. All five current districts experienced population growth between 7% and 13%. Three Portland metro counties outpaced Oregon as a whole in population growth during the past decade, and their share of Oregon's population also inched up. These three counties accounted for 43.4% of Oregon's population, up from 42.8% in 2010. Their growth rate during the decade was 12%, slightly more than the 10.6% statewide.
